First year commissions and renewal commissions shall be calculated according to the above percentages by product type sold. The first year commission and renewal commission percentages shown in the schedules of commission are percentages of the original premium received and accepted for policies written for Central United Life Insurance Company, and Manhattan Life Insurance Company.

First year commissions are paid for the first 12 months of the policy, beginning on the effective date of the policy. Renewal commissions are paid after the one year anniversary of the policy.

For flexible premium universal life plans, commissions for scheduled premiums will be paid based on the premium due date. For additional payments, commissions will be paid based on the date the premium is applied to the policy.

Commissions are not paid on premiums waived, suspended, or paid under automatic premium loan provisions.

Commissions for policies with a special class premium or resulting from a policy conversion, replacement or other form of policy change will be determined by the Company. The rated up portion of the policy premium is not commissionable.

Any change to the above schedules will be applicable only to policies issued on applications received more than thirty (30) days after notice of such change has been mailed to the agent's last known address on file with the Company.
